Synopsis of the Armenian Message

(Proverbs 31:10)

In asking the question of who can find a virtuous wife, our text says that virtuous women are very rare and hard to find. The virtuous wife is more precious than the most valuable gems. The good that she does is priceless. She is trustworthy. She is industrious. She is caring and generous towards the poor and needy. She is strong and dignified. She is wise. She is blessed, praiseworthy, and godly. This picture of the ideal godly woman is set as an example for us to look up to. Motherhood is a gift from God, and mothers, you can count on His strength as you strive to be the best moms you can be. May Christ bless you as you model Him to your families.
